[www.kraemer-motorcycles.com](http://www.kraemer-motorcycles.com)

# THIS IS A SPECIAL OFFER TO ALL AMATEUR RACERS, WHO WOULD LIKE TO RACE SOME OF THE BEST TRACKS IN EUROPE

“Kraemer Motorcycles” won the Championship for the second time this year and is opening their Team for interested customers. We want to offer the experience of racing a championship winning prototype race bike on some of the best tracks in Europe to everyone.

For us it's not only about winning the Championship, it's about the experience and the will to face the challenge every single day at the track.

This is an amateur race series and you should have already some amateur racing experience, but you do not need to be a professional racer.

If you are interested in this experience, please apply by simply sending us your contact details.

We will contact you to work out an individual offer for your needs and wishes.
